**Publisher:** archiveofourown.org

**Summary:**

The Byers leaves tomorrow and Mike still feels he hasn't properly apologised to Will for ignoring him

## Mike's Apology

Will was packing some comics and old toys away in a box in his room when there was a knock at his door

"Come in." He said and the door opened and Mike walked in

"Hey..." Mike said as he shut the door "Finished packing?"

"Nearly." Will said "So do you wanna see El? She's gone to buy some new clothes with my mom."

"No, i wanted to see you."

"Why?"

"I wanted to apologise. For ignoring you and treating you like shit before everything went down in the summer." Mike said

"Its fine. It was 3 months ago, I've forgotten about it."

"Well, I haven't. I was horrible to you and I feel awful." Mike said, moving closer to Will

"Its fine, Mike. Apology accepted." Will and Mike smiled

They looked at each other before Mike hugged him. He felt Will's arms move around his shoulders as they held onto each other

"You're my best friend. I don't wanna lose that." Mike said

"Me neither." Will said

They held tighter onto each other before Mike started moving back. As he leaned back from the hug, the two friends looked at each other, Mike slightly towering over Will

Mike bit his lip nervously before he leaned down to Will and kissed him

Will stood there in shock, with Mike's lips on his.

"Sorry..." Mike said quietly as he pulled back

Will quickly kissed him again, holding onto Mike's chest.  
He felt Mike's hands on his waist as they made out.

He moved his hand through Mike's hair as their tongues connected.  
Mike moved his hand across Will's stomach and moved his hands under his shirt

"Are we really doing this?" Will asked

"Do you want to?"

"More than anything."

"Then let's do it." Mike said

"Have you ever... done it before?" Will asked

"I've done some stuff with El, but never gone to the full thing."

Will nodded before he held onto his shirt and pulled it off, showing off his smooth and slim body

"I love your body." Mike said, admiring his body

"You've seen me shirtless, like, a thousand times."

"I know. But it's different this time." Mike said before they kept making out

Will felt Mike's hands move across his back. He broke the kiss, pushed the box of comics off his bed and sat down, looking up at Mike

He watched Mike pull off his shirt and admired his skinny body.

"Woah!" Mike gasped as Will started unbuckling his belt

"Sorry. Just wanted to suck you off."

"Go ahead, I'm not stopping you." Mike laughed "If you're sure though."

Will nodded as he unzipped Mike's pants and lowered them down his thighs. He moved his hand down his boxers and held onto the hard shaft before pulling it out of the fabric and into the fresh air.

Will stared in awe at Mike's hard cock. He was a lot bigger than him, he must've been about 6 inches

He looked up at Mike before he licked across his best friend's shaft

"Ohh... oh Will..." Mike moaned softly, feeling Will's tongue move across his cock

Will held onto Mike's dick as he kissed along the length of him  
He felt Mike's hand move through his hair and to the back of his head

"Fuck, Will... suck my dick..." Mike moaned quietly

Will moved his lips around the head of Mike's cock and licked across his tip

A gasp escaped from Mike's mouth as Will moved his head down his shaft

Will gagged as he felt 4 inches of Mike's dick in his mouth

"Don't go too far." Mike told him and he nodded before he started moving his head back and forth

Will took as much of his friend's cock into his mouth as he could, hearing Mike moan above him

"Oh fuck, Will...! You're so good...!" Mike moaned softly, leaning his head back in pleasure

Will held onto Mike's thighs for support as he moved his head faster, trying his best to pleasure his best friend.

He looked up at Mike and watched him moaning

"Holy... Holy shit!" Mike moaned "Fuck, Will... don't stop!"

Mike felt Will's tongue moving around his member. It was the best thing he'd ever felt in his life, Will was so much better at this than El was.

"Yeah, suck my dick! Ohh Will..." he moaned

Will felt precum ooze out of Mike's tip and fill his mouth and he swallowed it

Mike pulled out of his mouth and rubbed his wet cock

"Mike, you're so big..." Will panted, wiping his lips off precum

Mike smirked before he leaned down and kissed him. He could taste his own precum on Will's lips as they made out

"Lay down." Mike said as he pulled his jeans and boxers off, leaving him naked

Will laid back onto his bed and Mike sat over him, caressing his smooth body.

Mike kissed down Will's stomach as he unzipped his shorts

"Roll over." He said as he got off Will

"Why?"

"I wanna eat you out." Mike said

"Ok." Will said as he quickly rolled onto his stomach

Mike pulled his shorts and boxers off his legs and dropped them. He sat over Will's thighs and held onto his asscheeks before he spread them apart, showing off Will's virgin hole

"Ohhh.... oh god.." Will moaned softly as he felt Mike lick around his hole

Mike held onto Will's ass as he licked round his virgin asshole

"Fuck, Mike..." Will moaned, gripping onto the bedsheets as he felt Mike's tongue inside him

Mike explored his hole with his tongue and Will couldn't stop moaning as his best friend ate him out.

He felt Mike grip tighter onto his asscheeks and spread them far apart as they'd go

"Fuck, I love your little bubble butt." Mike said as he sat up

"Mike... fuck me. Please." Will said quietly

Mike smirked as he rubbed his cock. He turned Will over onto his back to face him. He spread Wills legs apart for better access to his hole.

He spat on his hard dick and his hand, rubbing the spit onto Wills hole

Will felt Mikes tip against his asshole and a loud moan escaped from his mouth as Mike entered him

"Ohh! Oh fuck! Mike...!" Will called out as Mike pushed deeper into his ass

He gripped onto the bedsheets, feeling his virgin ass spreading around Mikes cock

"You ok?" Mike asked as he held onto Wills waist

"Yeah... keep going...!"

Mike started moving back and forth into his friend and loud groans and gasps came from Wills mouth

"Ohh... Will..." Mike moaned softly

He grinded back and forth into Will, pushing deeper each time

"Fuck...! Mike! Oh my god!" Will moaned

"Oh, does that feel good? You like me big dick...?"

"Yeah! Ohh, Mike, fuck me!" Will moaned loudly

Mike moved faster and deeper into Will. He could feel Wills virgin ass stretching around his dick

"Holy shit... your ass is so good!:" Mike moaned

Mike leaned forward to Will and kissed him. He kept grinding into his ass as they made out.

Will moved his hand through Mikes hair as they made out and he moaned into his mouth.

He felt Mikes hand move across his stomach as he went deeper into him and he let out a loud moan as Mike grinded against his prostate

"Oh fuck! Mike, right there! Dont stop!" He yelled in pleasure

"Yeah, you love me fucking your fat ass with my big dick, don't you?" Mike moaned as he moved his hands onto Wills chest

Will nodded quickly as he gripped onto his bedsheets. His bed rocked back and forth as the two teen friends made love

"Ohh Mike... fuck me! Youre so big!"

Mike could feel himself reaching his climax

"Fuck, Will... I'm close!" He moaned

"Yeah, cum inside me... please, Mike!" Will moaned as he jerked off

Mike went faster into Will, pushing back and forth into his loosening ass

"Oohh... God!" He moaned as he pumped Wills ass with thicks ropes of his cum

He couldn't stop. It felt like his orgasm was endless, just shooting load after load

After he'd finally finished, he pulled out of Will

"I want some." Will said

Mike wiped cum off his cock with two fingers and moved them towards Wills mouth.

Wil held onto his hand as he sucked the cum off his fingers

Mike smirked as he watched his best friend eat his seed

"You taste so good." Will said after he'd swallowed it

Mike laid next to him on the bed.

"Stop that" he said, pushing Wills hand off his dick and replaced it with his own

Will looked down at his cock as Mike jerked him off. His dick was covered in precum, so he knew he wouldn't last long

"Ohhh..." he moaned softly

"That feel good?" Mike asked as he moved his arm round him

"Yeah..."

Will ran his hand across his smooth chest, gently stroking his nipple. Mike moved his head to face him and kissed him. Will moaned softly as they made out

Mike kissed down his chest and licked around his nipple

"Fuck... Mike... I'm gonna-!" Will moaned loudly

The door burst open just as cum exploded from Wills cock. Will tried so hard not to moan as he looked over at his mom stood in the doorway and cum landed all over his stomach

"Hey, Mrs Byers..." Mike said awkwardly as he moved his hand away from Wills dick

Joyce looked from Mike to Will, who had buried his face in his hands. She stood there speechless at the sight of them.
